

Internet Reimbursement FAQ's

1. From which month can I claim the internet reimbursement ?

Ans – Internet reimbursement is claimed on quarterly basis for a calendar year January to December

2. Can I claim the prepaid mobile internet bill ?

Ans – Only postpaid mobile internet and broadband internet charges can be claimed.

3. I have paid INR 1500 per month under broadband internet charges. How much can I claim?

Ans – The maximum reimbursement amount per month is INR 1000.

4. Both husband and wife are working in IDEaS, can we both claim the internet reimbursement?

Ans – Only one person out of two can claim reimbursement of INR 1000 per month per invoice

5. I had paid the yearly subscription charges for the internet bill, can I claim it?

Ans – Yes, you can claim for the period between January to December

Only you need to submit the same payment receipt each time to claim the quarterly reimbursement.

6. I have a local internet provider who provides the broadband service, is it fine to claim ?

Ans – Internet reimbursement is given with regards to the invoice. **Hence, having a valid invoice mentioning the name of the employee who is billed, the period for which it is billed, name of the internet provider and the internet charges should be clearly mentioned.** There is no list of specific internet providers whom we endorse or whom we approve / disapprove. You can claim it for any internet provider as long as the invoice is valid and it fits in the guidelines.

7. When shall I claim the reimbursement ?

Ans – The reimbursement is to be claimed quarterly i.e. at the end of each quarter. An email will be sent by Finance at the beginning of each quarter. The amount is not carried forward from one quarter to other quarter. If the amount is not claimed in that quarter, it will be lapsed.

8. Where can I raise the reimbursement claim ?

Ans – Here is the link for FTEs :

<https://www.concursolutions.com/home.asp>

But this needs to be go via <https://sww.sas.com> or <https://inside.sas.com/>

For Contractors :

Claims to be submitted quarterly to Invoices@IDeaS.com by filling the attached form and invoice/Bill. Form should be in one page only. **One PDF should comprise of form and all invoices and receipts. If not submitted in this manner then the claim will not be considered for payment.**

Only one bill/invoice per claim will be accepted. Payment will be done on actuals with a cap of INR 1000 per month max or the actual charges whichever is less.

For those who pay internet/broadband for quarterly, half yearly or yearly must make sure that the period is mentioned in the bill/invoice. For half yearly and yearly payment, same invoice can be submitted for both quarters.

9. What should I do if I have a postpaid mobile bill ? How can I claim it ?

Ans – You can upload the monthly post paid charges pdf while raising the claim. You shall need the invoice of the postpaid mobile bill which should mention the charges levied against internet in the plan, the invoice should be in your name, period of billing should be between January to December. In absence of that, there shall be no reimbursement. As the postpaid invoice is always password protected, kindly save the file in your local drive **remove the password** and then attach the invoice in Concur.

10. How to claim if the invoice is generated after the cut off period. For Eg. Bill generated is between 23rd to 30th of each month and the cut off period for submission of claim is 23rd of each quarter.

Ans - In the above case you can pay in advance and submit the payment receipt for claiming the reimbursement.

E.g. Your bill generation date is 25th of each month and claim submission date is 23rd of the month. You have to pay the bill in advance on the basis of your monthly invoices pattern before generation of your bill and submit the claim on or before due date.

11. How can I submit the payment details?

Ans- As the claim is on Reimbursement basis it is mandatory to attach or highlight the payment details on the invoice for each month

12. I am unable to open the Concur link / I forgot my password ?

Ans – You need to open inside.sas.com. Go the App directory, search for Concur. Click it. The system has a single sign on. It will take you to Concur
