Save

Cancel

Add External System and Product Shelf

- In the **External System** dropdown, select the same value as shown in the Installation screen.
- In the **Product Shelf** dropdown, select **Small Group**.
- Click **Save**.

Resume and Monitor the Job

- Resume the failed job and monitor its progress.

Remove Temporary Assignments

- Once the job successfully passes the `stephiltonEnableSmallGroupProductsAndInventoryLimitForNewPropertyStep`, return to **Configure > Property > Property Assignments**.
- Delete the **External System** and **Product Shelf** entries by clicking the **delete** icon.
- Click **Save**.
