Employee Higher Education Benefit

IDeaS India supports job-related studies and certifications, including the online courses, as an effective method of Employee development to improve work skills and knowledge of the business areas in which it operates. All full-time confirmed employees of IDeaS India are eligible to avail this benefit.

- For SAS certification, IDeaS India reimburses 100% of the total certification fees after the successful completion of the certification. Maximum 2 attempts will be allowed.
- For non-SAS certifications or any higher education course, IDeaS India reimburses up to INR 1,00,000 per year after the successful completion of the certification or course, at the first attempt.

Responsibilities / Process

An Employee is expected to follow the following procedure to avail the education reimbursement benefit:

Identify the Learning / Development Areas

- Employee considering further education or certification discusses the learning / development needs with the immediate reporting Manager.
- The learning areas or developmental needs are identified and documented as part of the Employee's Performance, Learning and Development Plan in Workday.
- The educational program or certification best suited to address the development areas is identified.

Seeking Approval for the Identified Course

- Employee needs to take approval from his/her immediate manager over email.

- Manager discusses this request and his recommendations with the Department Head and formally notifies the HR team & Managing Director about the Employee's request.
- Based on the recommendations and other details, the Managing Director either approves or disapproves the request and informs the HR Head & Department head accordingly.

Key criteria related to approval for education or certification for an Employee includes:

- Relevance to IDeaS India business, and/or strategic direction, and/or staff skill enhancement and knowledge requirements.
- Relationship to Employee's key performance indicators.
- Contribution to future career path.
- Course duration and existing workload.

Note: The process of approval of the request should be completed at least 15 days before the commencement of the course.

Reimburse the Amount

- On successful completion of the course, the Employee submits the copy of approval, results and receipts, duly signed and stamped by the authorities where the course/certification was undertaken to the Human Resources team.
- The employee needs to raise the claim on Concur.
- The Finance department verifies the claim and processes the reimbursement.

Guidelines

- An Employee, who commits to certification/education course, should ensure that the preparation or studies do not conflict with the normal working hours of IDeaS India.
- If an Employee leaves IDeaS India within 12 months after he/she receives the reimbursement, he/she will be required to repay 100% of the reimbursement amount paid by IDeaS India as a gross amount. This will be recovered as part of the employee's full and final settlement.
