Room Revenue Packages project _ Radisson

Overview

This article gives you step by step instructions on how to add Room Revenue packages in G3 RMS for RHG OXI properties for which this was not added during installation.

Procedure

Client will provide packages via Clarizen post.

Pierre-Baptiste Lechien 99

Hi Ashish,

Here is the reports for wave 9. I had to switch BERP1 with BUHZH.
Thanks,
PB

Room Revenue Package Project

Hi All,

I have added the sheet on this channel for ease of tracking.

Ashish Nair 4/3 7:15 PM

I will update this thread to keep our team posted on this project.

Wave 8 is completed and we are awaiting properties for wave 9 properties

Once tasks are created login to G3 and got to Vendor tab in Installation screen. On this tab, expand Oracle.

Under Oracle select CRHGROUP

Edit the property for which you have to update the packages and click on parameters link.

Now enter the packages in the Room Revenue section separated by “|”.

Once done click save and Close the relevant task.

Lastly updated the client on Clarizen post that room revenue packages are now added and they should proceed with the below steps.

1. Attach all packages to a dummy rate code.
2. Perform a BLOCK and RESERVATION resync for future days which is configured for that property.
